CapKeeper® Test Strip Cap & Container Organizer

CapKeeper® is a unique product designed by RPC which simplifies access to test strips, helps protect strips from contamination, and prevents loss of the test strip container caps. It fits easily, yet securely, over your existing test strip container cap and automatically retains the cap after removal. CapKeeper® is available for a variety of test strip container caps. It includes a retractable coil cord with a quick release, snap lock clip, making it ideal for hanging from IV poles or other convenient locations for hands-free placement.

Features & Benefits:

- *Hangs from I.V. poles for fast & easy access to test strips*
- *Clips onto various items to keep test strips close at hand*
- *Prevents loss of test strips and container caps*
- *Minimizes contamination of test strips & container caps*
- *Available in various sizes*
