

Micro-X[®] Disinfectant/Sterilant

Micro-X[®] is a peroxyacetic acid/peracetic acid based (PAA) cold disinfectant/sterilant used in a wide variety of applications including water treatment systems, dialysis equipment, medical instruments, hard surface disinfection and automated dialyzer reprocessing equipment (i.e. Renatron and Maky). Micro-X[®] is substantially equivalent to Renalin[®], Minncare[®], Peracidin[®] and Spor-Klenz[®].

Features & Benefits:

- *Broad-Spectrum Efficacy: Bactericide, virucide, tuberculocide, sporicide*
- *Extended 15-month expiration vs. 12 months for other PAA products.*
- *Improved storage temperature ranges (86°F vs. 75°F)*
- *Non-toxic and biodegradable when diluted as directed*
- *Expert support from RPC technical staff*
- *FDA cleared*
